

# OCP SUMMIT

March 20-21  
2018  
San Jose, CA

**OPEN**  
Compute Project

# Hardware Management

Bill Carter, OCP CTO

- ✓ IBM has been the repo owner of `//github.com/openBMC`
- ✓ This repo was chosen as best option going forward
- ✓ Microsoft, Intel, and Facebook join IBM & Google to collaborate
- ✓ IBM assigned the repo & logo to Linux Foundation
- ✓ Technical Steer Committee & Governance created, CLAs signed
- ✓ OCP is winding down project support
